Examiner's Amendment/Reasons for Allowance/Examiner's Comments

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Boshnick on September 24, 2004.

The application has been amended as follows:

1. Delete the Abstract of the Disclosure and replace it with the attached Abstract of the Disclosure.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with respect to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed zoom lens system having the specific structure as claimed, and specifically including, as the distinguishing features in combination with the other limitations, the claimed distance between the positive first lens group and positive third lens group as not changing upon zooming, the fourth lens group moving first towards the image and thereafter moving towards the object upon zooming from the short focal

length extremity to the long focal length extremity, and the satisfaction of the set forth condition.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Examiner's Comments

Hagimori patent number 6,462,886, Hamano et al patent number 6,577,450, and Shimo patent number 5,973,854, are being cited herein to show zoom lens systems having some similar structure to that of the claimed invention.

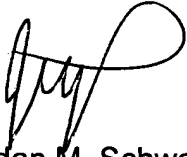

For applicant's information, as requested by applicant on the IDS received October 31, 2003, the examiner has considered U.S. applications 10/412,579 and 10/610,551.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jordan M. Schwartz whose telephone number is (571) 272-2337. The examiner can normally be reached on Monday to Friday (8:00-5:30), alternate Fridays off.
